

Amendment to the Claims:

A listing of the claims is provided below and will replace all prior versions, and listings, of claims in the application.

Claims 1-11 (Canceled)

Claim 12. (Currently amended) An electrical fixture, comprising: ~~The fixture of claim 10,~~ wherein the seal comprises:

a knockout plug having plug sealing and interference surfaces;

an electrical enclosure having

a fitting surface complementary to the interference surface and forming an interference fit with the interference surface;

an enclosure-sealing surface positioned adjacent to the fitting surface;

a pipe-fitting surface approximately coaxial with the enclosure sealing and fitting surfaces; and

an o-ring seal seated circumferentially on the plug sealing and enclosure-sealing surfaces to form an environmental seal between the knockout plug and electrical enclosure.

wherein the seal provides an environmental barrier between interior and exterior portions of the electrical enclosure.

Claim 13. (Currently amended) The fixture of claim 10~~12~~, wherein the interference surface comprises:

an approximately smooth surface extending around at least a portion of a circumference of the knockout plug.

Claims 14 - 23 (canceled)

24. (New) The fixture of claim 12, wherein the pipe-fitting surface comprises:

a tapered-threaded surface to accept a threaded portion of the conduit or pipe, when the knockout is removed.
